**Re: EPA Request for Earle M. Jorgensen Company to Conduct  
Environmental Sampling at the Jorgensen Forge Facility**

Dear Mr. Altier;

Enclosed, please find a copy of the letter and Scope of Work (SOW) requesting Earle M. Jorgensen Company (EMJ) to perform sampling work on the Jorgensen Forge facility. The U.S. Environmental Protection Agency (EPA) is asking EMJ to conduct this sampling under a Comprehensive Environmental Response, Compensation and Liability Act (CERCLA) Order on Consent. EPA plans on negotiating the CERCLA Order with EMJ and will forward a copy of the Order to you once the negotiations have been completed and the Order is signed by all parties.

If you any technical questions about the SOW please don't hesitate to call me at (206)553-2851 or you may call Anna Filutowski at (206)553-5122. If you have any legal questions, please call Charles Ordine at (206)553-1504.

Sincerely,

Howard Orlean
